Dear Mr. Tue-Cuong Dong-Si,

On behalf of the Board of Directors of VietBay Inc. and all our members, I would like to thank you for your contribution to our campaign to support people facing hardships caused by the COVID-19 surge in Vietnam.

Your donation along with all monies raised in this campaign would benefit low-income communities being put under strict lockdown and therefore losing livelihoods. Most of the amount raised will be spent on food and necessities to be delivered daily to hundreds of struggling families. The rest of the fund will be used to purchase protective gears and ventilators for hospitals and frontline organizations.
